PURPOSE/BACKGROUND:

This bill will make the City's regulations consistent with State law, Health District regulations, and the Clark County and Henderson Codes. This bill will: (1) update, but not increase, basic service charges; (2) increase frequency-of-service options for businesses; (3) establish minimum container requirements for non-residential customers; (4) add overflow charges for collecting overflowing waste; (5) eliminate discontinuation-of-service charges; (6) deregulate rates for categories of waste for which competitive markets exist (e.g., construction or demolition waste); (7) facilitate recycling of construction or demolition waste, and authorize other pilot programs to increase recycling; (8) revise late-payment charges for residential customers; and (9) add customer service requirements.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
